Impact of SALT negotiations on the NRP discussed ~~k~~ and the question of whether the EXCOM shld encourage a NSAM 156 Committee consideration of security and policy implications of SALT with respect to the NRP ~~X~~

EXCOM agreed discussion by EXCOM of this subj with NSAM 156 Committee wld be premature and no action should be taken now.

NASA earth resources satellite plan called for a 300-foot resolution satellite in 1971 or 1972, *DuBridge said 30-meter resolution satellite planned on NASA 3-yr. ago. It probably be reduced. Helms agreed.*  
The EXCOM felt the existence of SALT shld not now affect the NRP and that it was too early to tell which is more important for SALT, high resolution or real-time readout.

Dr. DuBridge asked whether SALT wld act to shift money from weapons ~~Approved For Release 2005/04/22 : CIA-RDP85B00803R000100080015-0~~ is so tight that it probably would not work out that way.
